

Does Medicare Cover Long-term Care?

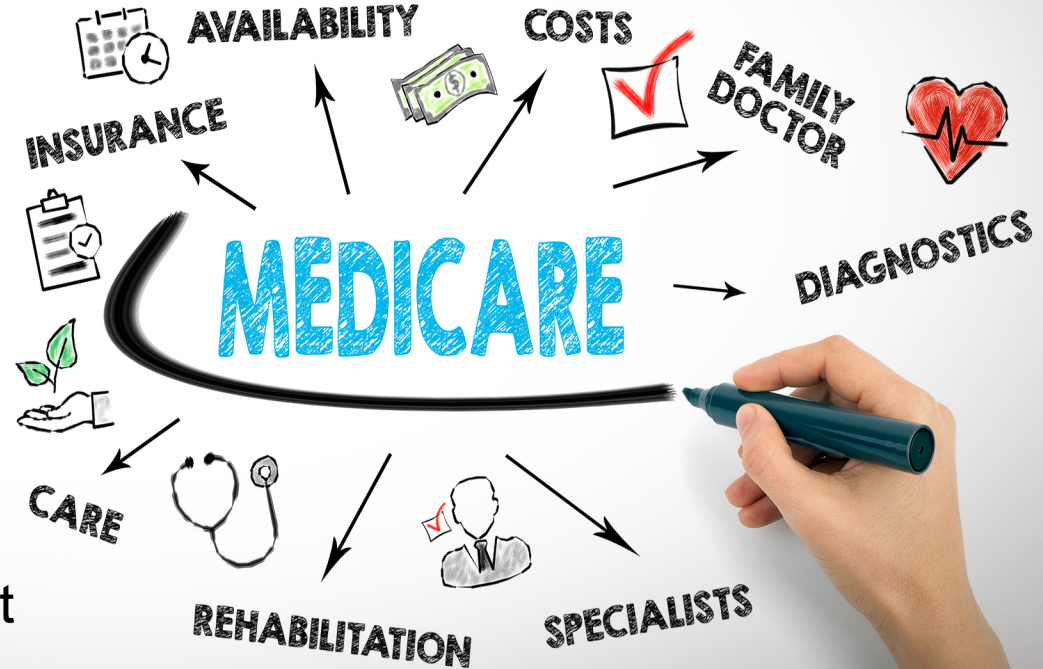

A whopping **90%** of workers age 50 and older **INCORRECTLY** believe Medicare will cover long-term care costs in retirement, a survey from Nationwide found.

Know Your Benefits or Pay the Price

Some workers may not worry about these expenses, thinking Medicare **HAS THEM COVERED** for any healthcare costs that may come their way.

But Medicare **DOESN'T COVER EVERYTHING**, and there are several crucial aspects of Medicare that most workers don't understand.
