Common Mistakes That Will Cost You Thousands

1. **PROCRASTINATION** or spending too little time on the college planning process
2. **LEAVING YOUR COLLEGE PLANNING** to guidance counselors, financial aid, or admissions officers
3. Submitting the financial aid forms **LATE AND WITH MISTAKES.**
4. Not seeking help from **CERTIFIED COLLEGE PLANNERS**

Do you know how to find the
BEST-FIT COLLEGE
and
**ENSURE YOUR CHILD
GETS ACCEPTED?**

Do you know how to
receive financial aid
**REGARDLESS OF
YOUR INCOME,**
self-employment, assets,
or your child's GPA?

Do you know how to
fund college
**WITHOUT SACRIFICING
YOUR RETIREMENT?**

The college admissions process is **VERY INVOLVED.**

It can be stressful, from **PLANNING TO PAPERWORK**
to **DECISIONS TO DEADLINES.**

ADMISSIONS TO DO LIST

1. **SO**
2. **MANY**
3. **THINGS**

If in working together,
we were able to
**HELP YOU DEVELOP
A COLLEGE PLAN**
that makes sense to you
and your finances,
would you desire
to work with us?

SCHEDULE YOUR COLLEGE PLANNING SESSION

For over a decade, we have helped thousands of families with college admissions.

- Let my skilled team help you understand where you are in the admissions process
- We will evaluate your family situation and design effective strategies designed for you
- Discover what cost savings opportunities you should take advantage of
- Additional strategies on Financial Aid and College Funding, so you don't have to spend time researching these options yourself
- Discuss how our services could continue to help your family

THE LAST WORD

It's **NOT** a question
if you need to schedule
a session with us, but
WHEN DO YOU WANT TO?

Schedule an Appointment

We really have a **FULL** calendar and time slots fill up quickly.

Whether your spouse is here or not, please select a date and time on our app.
